

Château Monfort

BOUTIQUE HOTEL IN MILAN

Château Monfort is a Milanese historical building from the early twentieth century, decorated by Paolo Mezzanotte, known as master of Liberty.

This unique neo-romantic jewel looks onto Piazza Tricolore in the Monforte district and it is an elegant five-star boutique hotel since 2012. Château Monfort is also part of the exclusive Relais & Châteaux collection, a symbol of excellence in 60 countries of the world.

Our Meeting rooms

With its enchanting and delicate atmospheres and thanks to its spectacular uniqueness, Château Monfort, 5-star hotel in the heart of Milan, is able to offer solutions for every type of event.

The hotel presents 2 charming meeting rooms that can accommodate meetings, banquets, press conferences, formal and informal events, thanks to its modular spaces the venues are exclusively designed.

The rooms are equipped with sophisticated technological facilities and the staff is available for the creation of impeccable and personalized events, in spaces furnished in the inimitable style of a unique boutique hotel.

The attention to every detail, in perfect harmony with the style and the warmth of a Relais & Châteaux philosophy, the impeccable service and the excellent gastronomic proposal create the right atmosphere to live special moments and professional events.

Sala dell'Incantesimo

An elegant oval-shaped space, embellished by the sumptuous travertine marble floor and with curved walls decorated with classy stuccoes.

Sqm 118 - Height 2.80; Length 9; Width 14

Technical equipment

Projector, AV system, VGA or HDMI, Apple tv, screen, 2 radio microphones, whiteboard, flipcharts & markers, stationary.

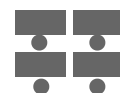

Sala dell'Incantesimo is a hall with an unusual semi-circular shape that receives natural light directly from the ceiling dome above the Mezzanotte Lounge Bar, located on the upper floor.

It is a multipurpose space that lends itself to various types of staging: the hall is in fact configured for corporate meetings in the form of stalls, school desks and U-Shape tables for meetings and presentations.

In addition to corporate events, the room is fitted to host gala dinners and to celebrate special occasions such as birthdays, christenings, graduations and weddings, allowing the development of different types of settings according to the client's needs and to the expected number of guests.

Sala delle Segrete

A rectangular space with vaulted ceiling and wrought iron lanterns that create an evocative atmosphere with a medieval flavor.

Sqm 62 - Height 3.60; Length 14; Width 4.50

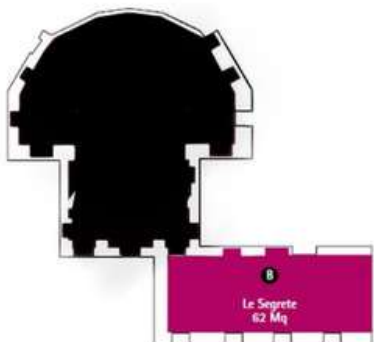

Technical equipment

Projector, AV system, VGA or HDMI, Apple tv, screen, 2 radio microphones, whiteboard, flipcharts & markers, stationary.

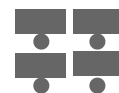

Sala delle Segrete is a charming rectangular space spread over 62 square meters. Covered with barrel vaults - an original ceiling carefully restored - it presents neutral toned walls with wrought iron lanterns that together create a medieval atmosphere, the perfect setting for high-level business meetings.

This room is an ideal location for hosting business dinners, product presentations, private parties and to celebrate special occasions; depending on the needs, an imperial central table or console on the sides can be set up.

Other spaces

Lounge Bar Mezzanotte, a winter garden surmounted by a crystal dome and embellished with design elements from the early 1900s, is suitable for private meetings, receptions, small shows, concerts and official events. Thanks to the presence of a stage decorated with a distinctive white grand piano is designed as a theater, with a maximum capacity of 100 seats.

La **Cella di Bacco** wine cellar, gathered under a vaulted ceiling, holds the best bottles, guaranteeing their fragrance and authentic taste. Sitting around an oak table you will be able to appreciate the high quality drinks in the company of the God of wine, who welcomes guests from the fountain right in front of the entrance gate, original element of the late nineteenth century. The cellar can accommodate up to 8 guests.

The **Foyer**, with its red bricks ceiling, connects the two meeting rooms and can be used to set up registration desks, coffee breaks and welcome aperitifs.

In the refined setting of the **Rubacuori Restaurant**, it is possible to reserve in exclusive usage of Sala della Caccia, where your guests will be able to appreciate our gastronomic offer sitting around an elegant imperial table, immersed in an environment that evokes a hunting lodge revisited in a fun way. Sala della Caccia hosts a maximum of 20 people.

Services
